

Welcome! This is the step-by-step instruction guide to registering your child for the Medford Jr Mustangs youth Football or Cheer program (updated for 2024). This guide is intended for folks who have already registered players last year.

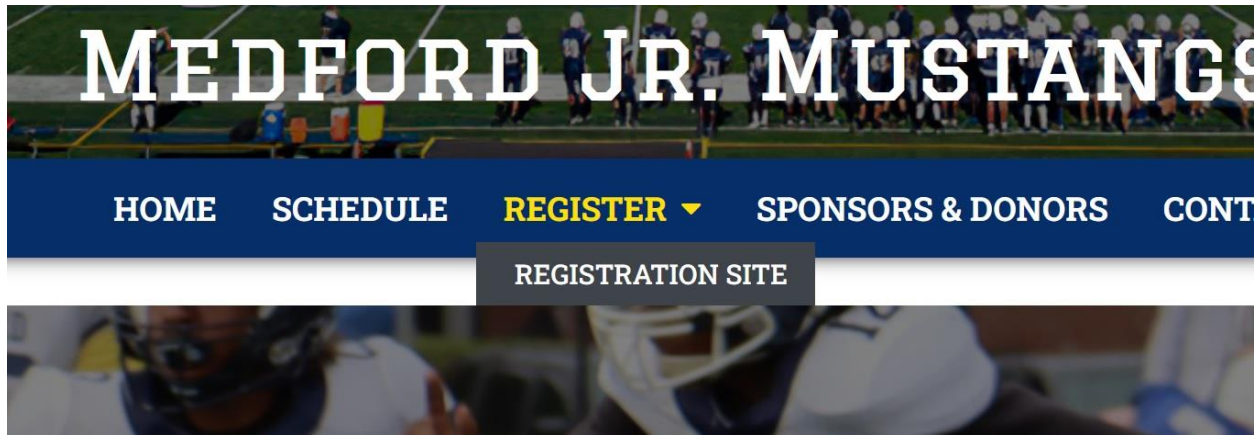

BEFORE YOU BEGIN: Please download and fill out the [2024-2025 Participant Contract](#), and the [2024 Medical History Form](#). You will need to upload them as part of the registration process.

STEP 1:

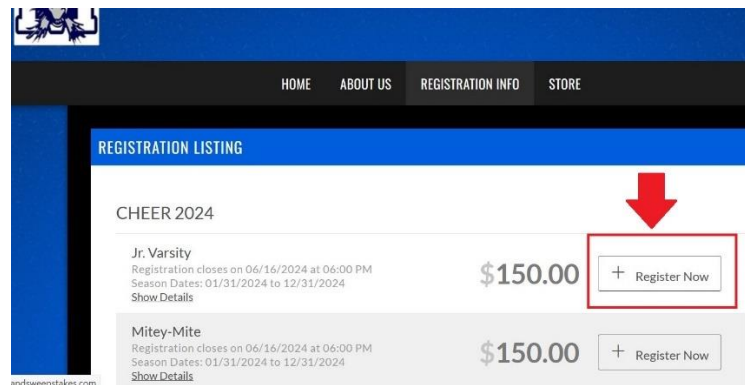

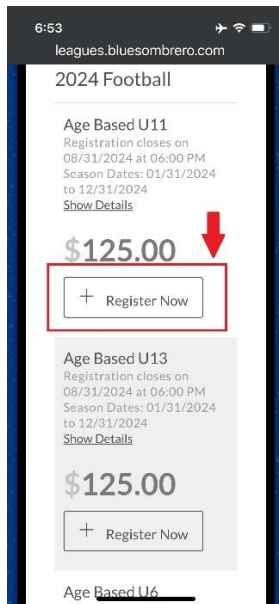

Start the registration process by clicking here:

<https://leagues.bluesombrero.com/Default.aspx?tabid=1510546>

Or you can click on one of the registration links on our webpage at <https://medfordjrmustangs.com/>

STEP 2: Click on one of the registration links on the bluesombrero page for either football or Cheer. Later in the process the kids will automatically be shown the division options available to them based on their birthday.

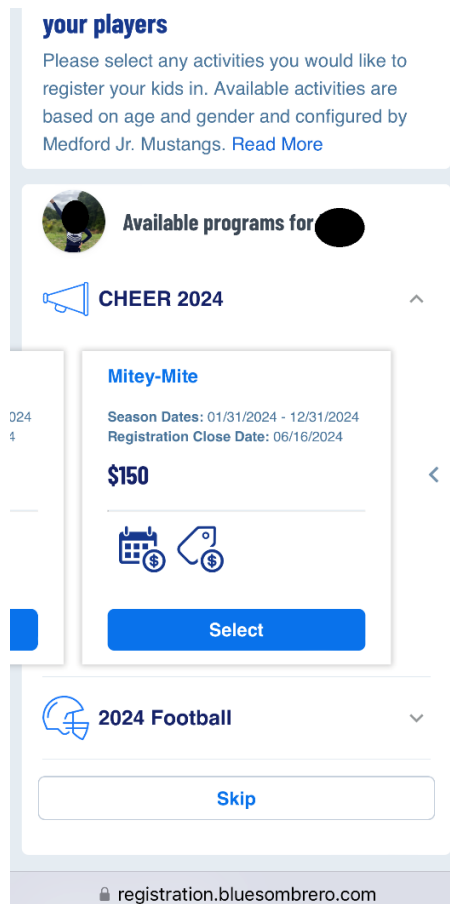

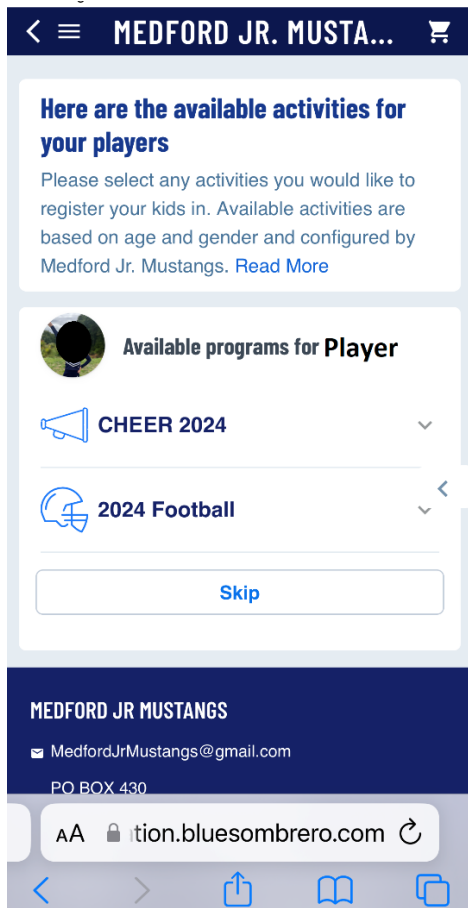

STEP 3: Log in with the email and password you had last year.

The screenshot shows the login interface for Medford Jr. Mustangs on the Sports Connect platform. At the top, the logo for Sports Connect, powered by Stack Sports, is displayed. Below the logo, the text reads "Medford Jr. Mustangs" and "Welcome! Please enter your email address to get started." There is an input field for "Email Address" and a blue "Continue" button. To the right, a smaller view of the same page is shown, highlighting the account selection area. It says "Welcome Back! Select an account from below to login." and lists an account for "Your Name" with email "your@email". Below this is a link for "Use another account?" and two "10 SAFE" security shields. At the bottom, a footer contains copyright information: "© Copyright 2012 - 2024 Stack Sports - All Rights Reserved" and links for "Privacy Policy", "Terms of Service", "Children's Policy", and "SLA: (US) (CANADA)". The browser address bar shows "login.stacksports.com".

STEP 4: If you have multiple players, select the one you want to start with. (Come back to here and repeat for each player before checking out.

The screenshot shows the mobile app interface for Sports Connect. The top navigation bar includes a menu icon, a shopping cart, and a lock icon. The main content area is titled "Players" and lists two player profiles. Each profile shows a circular profile picture, the player's name, their D.O.B. (redacted), and their ID Number (redacted). Below each profile is a blue button indicating the number of programs available: "2 Programs Available" for the first player and "3 Programs Available" for the second. At the bottom of the list is a blue button with a plus sign and the text "Add Player". The browser address bar at the bottom shows "jues.bluesombrero.com".

STEP 5: Select the appropriate program for your child. You should only see programs available to your child's age group. Button will show "Selected" when pressed. Click the "continue" button if you're on a regular computer.

Here are the available activities for your players

Please select any activities you would like to register your kids in. Available activities are based on age and gender and configured by Medford Jr. Mustangs. [Read More](#)
